May 17-18, 2023. Venue: NTU Campus, Participation: *Physical and Virtual*

Symposium Theme: *Realizing and Evolving the CDO's Role*

SUBMISSION REQUIREMENTS:

The themes of the three tracks are as follows:

Track 1: Data Strategy and Management

Track 2: Analytics and AI Value Creation

Track 3: Data Ecosystems and Platforms

You are cordially invited to send the below information to facilitate our programming:

1. Presentation Title.
2. Abstract (max 500 words).
3. Speaker particulars (name, email address, job title, affiliation, bio (max 200 words) and photo).

The planning committee will assign accepted submissions to the most appropriate track, or we may invite you to speak as part of a panel, based on the information you provide. Submission of the above information may be completed online at https://cdoiq-apac.org/speakers/. Please note the submission deadlines:

Initial Submission Deadline:	**October 31, 2022**
Initial Notification of tentative program:	**December 15, 2022**
Final Submission Deadline:	**March 15, 2023**

Authorization to Present: Speakers must obtain all appropriate authorization and clearance for final materials submitted to, presented at, and included in the Symposium. We will be making video recordings of presentations and making these available as a permanent record of the Symposium. The recordings will be made available to the public internationally via the Symposium's website.
